

Alejandro Luiña

DECEMBER 16

The arrangement I wrote for Julian ("We Three Kings" in D minor), with a piano accompaniment at your level of difficulty, is ready. See below.

Some theory concepts or review: Key signatures.

THE ORDER OF SHARPS:

No sharps: C Major or its relative A minor

F# - C# - G# - D# - A# - E# - B#

How to find the key of the piece or the associated scale:

1 sharp: F# = G Major (or its relative E minor)

2 sharps: F#+C# = D Major (relative B minor)

3 sharps: F#+C#+G# = A Major (relative F# minor)

4 sharps: F#+C#+G#+D# = E Major (relative C# minor)

5 sharps: F#+C#+G#+D#+A# = B Major (relative G# minor)

THE ORDER OF FLATS:

No flats: C Major or its relative A minor

Bb - Eb - Ab - Db - Gb - Cb - Fb

How to find the key of the piece or the associated scale:

1 flat: Bb = F Major (or relative D minor)

2 flats: Bb+Eb = Bb Major (relative G minor)

3 flats: Bb+Eb+Ab = Eb Major (relative C minor)

4 flats: Bb+Eb+Ab+Db = Ab Major (relative F minor)

5 flats: Bb+Eb+Ab+Db+Gb = Db Major (relative Bb minor)

How do you know if the key signature is the Major or the relative minor:

1. Look at the final chord of the piece. What chord is it?
2. Looking at the same chord, which is the lowest note played on the bass (LH lowest note)

Cello (Julian) and Piano (You) We Three Kings

DECEMBER 16

Here is an easy arrangement of "We Three Kings" I wrote especially for you and Julian (cello and piano).

On the margin you will find the following material:

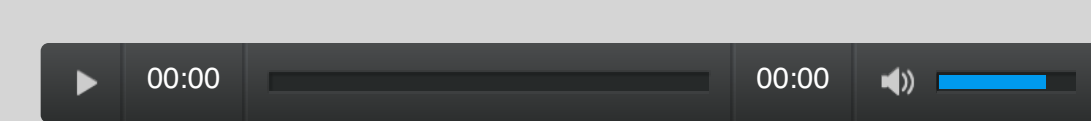

- The cello part
- The piano (and cello) part
- A recording of the computer playing through the piece (*very mechanically but just to get the idea*)

IMPROVISATION

Hicimos una improvisación relajada en la que simplemente tocas LH (la-mi) RH (la-mi) y lo repites varias veces. Entonces gradualmente vas cambiando una nota cada varias repeticiones y creando otras combinaciones.

Con pedal. El pedal cambia cada vez que añades una nota nueva.

Blues tradicional

DO: Escala y acordes reducidos.

Hasta que no estemos seguros no cambiamos a otra tonalidad.

Noviembre 21. Aprende la melodía. Trata de sacarla de oído si puedes, pero si no, la puedes leer. Esta melodía no está anclada en la posición de Do Mayor. Busca las notas que están fuera del alcance.
